MEETING  
TOMORROW'S  
CHALLENGES

**MANJEERA**  
Life Elevated

**MANJEERA CONSTRUCTIONS LIMITED**

## From the Chairman's & Managing Director

*Dear Shareholders,*

Dear Shareholders,

I warmly welcome you to the 34<sup>th</sup> Annual General Meeting of your Company, which is being held 'virtually' as necessitated by today's circumstances. The world has been witnessing an unprecedented crisis for over a year-and-a-half now, which has severely impacted our health, our economic condition and our very way of life. I do hope all of you are exercising adequate care at your end, and diligently following all COVID protocols.

### **Operational Performance Review**

The 'Second Wave' of COVID-19 was particularly severe on our country, including your company. All our employees, shareholders and stakeholders bore the brunt, resulting in a rather sedate performance in Financial Year 2020-21:

- Revenue from operations standalone basis decreased to 3132.25 Lakhs as against Rs. 9690.81 Lakhs in the previous year-a decline of 67.68%.
- Cost of goods sold as a percentage to revenue from operations Increased to 14% as against 12.53% decrease in the previous year.
- Employee cost as percentage to revenue from operations increased to 5.27% (Rs. 165.05 Lakhs) as against 3.00% in the previous year (Rs. 291.18 Lakhs). The employee cost increase as a percentage has resulted mainly on account of drop in the total revenue in spite of the fact the employee cost has come down in absolute

terms from Rs.291.18 Lakhs during 2019-20 to Rs.165.05 Lakhs during 2020-21.

- The Profit/(Loss) after Tax for the current year is (Rs.763.94) Lakhs as against Rs. 12.90 Lakhs in the previous year. The decrease in profit is mainly due to decrease in Sales and Other income (Interest and other Income) to the extent of Rs. 6674.02 Lakhs and also due to increase in Finance cost to the extent of Rs.466.84 Lakhs.
- On a consolidated basis, the Company, its subsidiaries and associate Companies, achieved operating revenue of Rs. 6354.65 Lakhs as against Rs. 23,497.02 Lakhs – a decline of 72.96%.

By derailing the positive momentum of our core sector in the beginning of FY 2020-21, the 'Second Wave' has given a challenging start to our operations in FY 2021-22 as well. We have proactively put out a 'crisis management' plan – at both Business and Corporate levels – to deal with the new risks triggered in our business operations. We have also put in place stringent safety protocols for the wellbeing of our employees, and set up teams to ensure adequate risk-mitigation measures at every stage. Protective equipment is provided to everyone, supplemented with suitable training and communication at workplaces. Where feasible, 'work from home' option is also given. We are cautiously optimistic that the worst is behind us now, and the way forward will be encouraging.

### Our Projects

- I am happy to share that your company successfully acquired 2.92 acres in Khanamet (near Hitech City, Hyderabad) through an online auction conducted by the Telangana Government. We intend to develop a residential complex there, and are completing all the formalities related to land acquisition and requisite approvals for the project.
- Your company is also pursuing the Ongole project (villas / apartments) with new vigour and confidence.
- Your company has also obtained all requisite approvals from authorities to develop the 'New York' apartments complex at 'Allasandra' (near Yelahanka, Bengaluru). We shall tentatively develop 5.61 Lakh sft of total area (including the landowner's share). Work will start soon, after achieving the financial closure.

- Meanwhile, work on the 'Lake City' project at Hafeezpet, Hyderabad – through our associates Vasavi Realtors LLP – has picked up good momentum. We are developing 30 Lakhs sft of residential apartments in this project.

### Our Strengths

Manjeera's unwavering focus on technology, sustainability, quality and an inclusive work culture has enabled us to embrace every challenge and capitalize on it.

Our projects are always aligned with our customers' needs, and our ability to foresee opportunities across market segments helps us to strategically scale-up our business and thereby create strong and enduring value for all our stakeholders.

### Safety, Health and Environment

Complying with these three cardinal principles is at the very heart of our business philosophy.

### CSR Activities

Manjeera has always looked well beyond its business concerns when it comes to serving society. In difficult and testing times like these, it is all the more an important priority for us. Our community outreach efforts include various philanthropic programs.

Through 'Vasavi Foundation for Empowerment' your company is working on empowering people through education, employment and entrepreneurship, by providing financial support for education, employment, skill development and talent development.

### Employee Welfare

Manjeera's real strength lies in the commitment and quality of its people. With that in view, your company continues to engage in various employee welfare initiatives to boost their morale and keep them committed to their work in a positive frame of mind. Manjeera's HR philosophy seeks to establish, build and retain a strong performance and competency-driven culture with a high degree of accountability and responsibility.

We focus on creating an environment that enhance our employees' sense of pride in what they are doing, thereby leading to higher efficiency and productivity. Manjeera's HR policies and systems are designed to motivate its workers to innovate and apply new ideas, so as to achieve significant improvements in both size and scale of its operations. They are given every opportunity to grow and prosper in their lives. Your company's Industrial Relations remained stable throughout FY 2020-21.

Along with my Leadership team, I sincerely thank our Board Members, customers, shareholders, business associates, suppliers and all other stakeholders for the trust they have reposed in us all the way. It is they who will inspire us to face our future challenges and live up to their trust. Let us look at tomorrow with confidence, and take Manjeera to greater heights

With my best wishes to all of you

### NOTES:

- 1) The statement pursuant to Section 102(1) of the Companies Act, 2013 and the Rules made thereunder in respect of the special business set out in the notice, Secretarial Standard on General Meetings (SS-2), wherever applicable, and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, (Listing Regulations) wherever applicable, are annexed hereto.
- 2) In view of the continuing Covid-19 pandemic, the Ministry of Corporate Affairs (“MCA”) has vide its general circular dated January 13, 2021 read with circulars dated April 8, 2020 and April 13, 2020 and May 5, 2020 (collectively referred to as “MCA Circulars”) permitted the holding of the AGM through VC / OAVM, without the physical presence of the members at a common venue. Further, Securities and Exchange Board of India (“SEBI”) vide its Circular dated January 15, 2021 read with circular dated May 12, 2020 (“SEBI Circular”) has also granted certain relaxations in line with the above said MCA Circulars. In compliance with the provisions of the Companies Act, 2013 (“the Act”), Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“the Listing Regulations”) and MCA Circulars, the 34<sup>th</sup> AGM of the Company is being held through VC / OAVM on Thursday, 30<sup>th</sup> September, 2021 at 10.00 a.m. (IST). The deemed venue for the AGM shall be the Registered Office of the Company.
- 3) Pursuant to the provisions of Section 108 of the Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 (as amended) and the Circulars issued by the Ministry of Corporate Affairs dated April 08, 2020, April 13, 2020 and May 05, 2020, the Company is providing facility of remote e-voting to its members in respect of the business to be transacted in the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (‘CDSL’) for facilitating voting through electronic means, as an authorized agency. The facility of casting votes by a member using remote e-voting system as well as voting on the day of the AGM will be provided by CDSL.
- 4) The Register of Members and Share Transfer Books of the Company shall remain closed from Wednesday, 22.09.2021 to Wednesday 29.09.2021 (both days inclusive) in connection with the AGM.
- 5) Pursuant to the Circular No. 14/2020 dated April 08, 2020, issued by the Ministry of Corporate Affairs, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, the Body Corporates are entitled to appoint authorised representatives to attend the AGM through VC / OAVM and cast their votes through e-voting.
- 6) Since the AGM will be held through VC / OAVM, the route map is not annexed to this notice.
- 7) The members can join the AGM in the VC / OAVM mode 15 minutes before and after the scheduled time of the commencement of the meeting by following the procedure mentioned in the notice. The members will be able to view the proceedings on the CDSL's e-Voting website at [www.evotingindia.com](http://www.evotingindia.com). The detailed instructions for joining the meeting through VC / OAVM form part of the notes to this notice.

- 8) Members attending the AGM through VC / OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Act.
- 9) In compliance with the aforesaid MCA and SEBI Circulars, notice of the AGM along with the Annual Report 2020-21 is being sent only through electronic mode to those members whose email addresses are registered with the Company / Depositories. Members may note that the notice and Annual Report 2020-21 will also be available on the Company's website <https://www.manjeera.com/investors.html>, website of the Stock Exchange i.e., BSE Limited and on the website of CDSL at <https://www.evotingindia.com>.
- 10) As per Regulation 40 of SEBI Listing Regulations, as amended, securities of listed companies can be transferred only in dematerialized form with effect from, April 1, 2019, except in case of request received for transmission or transposition of securities. In view of this and to eliminate all risks associated with physical shares and for ease of portfolio management, members holding shares in physical form are requested to consider converting their holdings to dematerialized form. Members can contact the Company or Company's Registrars and Transfer Agents, M/s. XL Softech Systems Limited for assistance in this regard.
- 11) As per the provisions of Section 124(6) of the Act read with Rule 6 of 'Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Amended Rules, 2017 ('the Rules'), all shares, in respect of which dividend has not been paid or claimed for seven consecutive years or more (relevant shares), will be transferred by the Company to IEPF along with statement containing such details as directed by Ministry of Corporate Affairs from time to time
- 12) Retirement of directors by rotation:  
Mr. Yoganand Gajjala, Managing Director of the Company, retires by rotation at the ensuing annual general meeting and, being eligible, offers himself for re-appointment.  
  
The Board of directors recommends the re-appointment of Mr. Yoganand Gajjala as a director, liable to retire by rotation.
- 13) The statutory registers including register of directors and key managerial personnel and their shareholding, the register of contracts or arrangements in which directors are interested maintained under the Companies Act, 2013 and all other documents referred to in the notice will be available for inspection in electronic mode. Members who wish to inspect the register are requested to write to the company by sending e-mail to [cs@manjeera.com](mailto:cs@manjeera.com)
- 14) Members are requested to intimate the Registrar and Share Transfer Agents i.e., M/s. XL Softech Systems Limited (RTA), Plot No. 3, Sagar Society, Banjara Hills, Hyderabad - 500 034, immediately of any change in their address in respect of equity shares held in physical mode and to their Depository Participants (DPs) in respect of shares held in dematerialized form.
- 15) Pursuant to the provisions of Section 72 of Companies Act, 2013, shareholders are entitled to make nomination in respect of shares held by them in physical form. Shareholders desirous of making nominations are requested to send their requests in Form-SH-13 (which will be made available on request) to the Registrar & Share Transfer Agents, **M/s. XL Softech Systems Limited**.
- 16) The Ministry of Corporate Affairs, Government of India has taken a "Green Initiative in the Corporate Governance" by allowing paperless compliances by the Companies and has issued circulars stating that service of notice / documents including Annual Report can be sent by e-mail to its Members. In line with the Ministry's direction your Company intends to send all future communication to members by e-mail including Notices, Annual Report etc., to the e-mail address you have already registered with your respective Depository Participants (DPs). In case you are yet to register your e-mail address, please update the same with your DP. Members holding shares in physical form may register their e-mail address either with the Company or with the Registrar & Share Transfer Agent (RTA) of the Company viz. **M/s. XL Softech Systems Limited, Hyderabad**. If the e-mail addresses are already registered with the respective DPs / RTA of the Company by the shareholders, it is requested to ensure that registered e-mail ids are current, operative and all the addressed correspondences are received through it.
- 17) All NRI Members of the Company are hereby requested to get their Indian Postal addresses, e-mail ids and bank details with their NRI/ NRE account nos. registered with their respective DPs / RTA of the Company, so as to facilitate to provide smooth, faster, cost effective and proper service to them by the Company.
- 18) The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore requested to submit the PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to the Company / RTA.
- 19) Pursuant to Section 72 of the Companies Act, 2013, members are entitled to make a nomination in respect of shares held by them. Members desirous of making a nomination, pursuant to the Rule 19(1) of the Companies (Share Capital and Debentures) Rules, 2014 are requested to send their requests in form no. ### **PROCEDURE FOR E-VOTING:**

Share holders who wish to opt for e-voting can cast their vote by logging on to the CDSL website: <https://www.evotingindia.com> and follow the procedure to login to e-voting website as given below by CDSL for the information of the members:

Log on to the e-voting website [www.evotingindia.com](https://www.evotingindia.com)

- (i) Click on “Shareholders” tab.
- (ii) Now, select the “**Manjeera Constructions Ltd.**” from the drop down menu and click on “SUBMIT”
- (iii) Now Enter your User ID –
  - a) For CDSL: 16 digits beneficiary ID,
  - b) For NSDL: 8 Character DP ID followed by 8 Digits Client ID,
  - c) Members holding shares in Physical Form should enter Folio Number registered with the Company.
- (iv) Next enter the Image Verification as displayed and Click on Login.

- (v) If you are holding shares in demat form and had logged on to [www.evotingindia.com](http://www.evotingindia.com) and voted on an earlier voting of any company, then your existing password is to be used.
- (vi) If you are a first time user follow the steps given below:

	For Members holding shares in Demat Form and Physical Form
PAN*	Enter your 10 digit alpha-numeric *PAN issued by Income Tax Department (Applicable for both demat shareholders as well as physical shareholders)
DOB#	Enter the Date of Birth as recorded in your demat account or in the company records for the said demat account or folio in dd/mm/yyyy format.
Dividend Bank Details#	Enter the Dividend Bank Details as recorded in your demat account or in the company records for the said demat account or folio.

\* Members who have not updated their PAN with the Company / Depository Participant are requested to use the first two letters of their name and the 8 digits of the sequence number (**Available on the Address label pasted in the cover and/or in the e-mail sent to the members**) in the PAN field. In case the sequence number is less than 8 digits enter the applicable number of 0's before the number after the first two characters of the name in CAPITAL letters. Eg. If your name is Ram Kumar with sequence number 1 then enter RA00000001 in the PAN field.

# Please enter any one of the details in order to login. If the details are not recorded with the depository or company please enter the member id / folio number in the Dividend Bank details field.

- (vii) After entering these details appropriately, click on "SUBMIT" tab.
- (viii) Members holding shares in physical form will then reach directly the Company selection screen. However, members holding shares in demat form will now reach 'Password Creation' menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.
- (ix) For Members holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.
- (x) Click on the relevant EVSN for the Manjeera Constructions Ltd.
- (xi) On the voting page, you will see "**RESOLUTION DESCRIPTION**" and against the same the option "YES/NO" for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.
- (xii) Click on the "RESOLUTIONS FILE LINK" if you wish to view the entire Resolution details.
- (xiii) After selecting the resolution you have decided to vote on, click on "SUBMIT". A confirmation box will be displayed. If you wish to confirm your vote, click on "OK", else to change your vote, click on "CANCEL" and accordingly modify your vote.
- (xiv) Once you "CONFIRM" your vote on the resolution, you will not be allowed to modify your vote.
- (xv) You can also take out print of the voting done by you by clicking on "Click here to print" option on the Voting page.
- (xvi) If Demat account holder has forgotten the changed password then, Enter the User ID and the image verification code and click on Forgot Password & enter the details as prompted by the system.
- (xvii) Shareholders can also cast their vote using CDSL's mobile app m-Voting available for android based mobiles. The m-voting can be downloaded from google play store. Please follow the instructions as prompted by the mobile app while voting on your mobile.
- (xviii) Institutional shareholders (i.e. other than Individuals, HUF, NRI etc.) are required to log on to <https://www.evotingindia.co.in> and register themselves as Corporates. After receiving the login details they have to link the account(s) which they wish to vote on and then cast their vote. They should upload a scanned copy of the Board Resolution and Power of Attorney (POA) which they have issued in favour of the Custodian, if any, in PDF format in the system for the Scrutinizer to verify the same.
- (xix) The voting period begins on 26.09.2021 at 9.00 A.M. (IST) and ends on 29.09.2021 at 5.00.P.M. (IST) During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the 21.09.2021, may cast their vote electronically. ### Operational Performance Review

- Revenue from operations standalone basis decreased to 3,132.25 Lakhs as against Rs. 9,690.81 Lakhs in the previous year-a decline of 67.68%.
- Cost of goods sold as a percentage to revenue from operations Increased to 14% as against 12.53% decrease in the previous year.
- Employee cost as percentage to revenue from operations increased to 5.27% (Rs.165.05 lakhs) as against 3.00% in the previous year (Rs. 291.18 Lakhs). The employee cost increase as a percentage has resulted mainly on account of drop in the total revenue in spite of the fact the employee cost has come down in absolute terms from Rs. 291.18 Lakhs during 2019-20 to Rs.165.05 Lakhs during 2020-21.
- The Profit / (Loss) after Tax for the current year is (Rs.763.94) Lakhs as against Rs. 12.90 Lakhs in the previous year. The decrease in profit is mainly due to decrease in Sales and Other income (Interest and other Income) to the extent of Rs. 6,674.02 Lakhs and also due to increase in Finance cost to the extent of Rs.466.84 Lakhs.
- On a consolidated basis, the Company, its subsidiaries and associate Companies, achieved operating revenue of Rs. 6,354.65 Lakhs as against Rs. 23,497.02 Lakhs – a decline of 72.96%.

The operations of the Company during the Financial Year 2020-21 were impacted due to the COVID-19 Pandemic which is prevalent in majority of the countries. The outbreak of Corona virus (COVID-19) pandemic globally and in India has been causing significant disturbance and slowdown of economic activity. On 24<sup>th</sup> March 2020, the Government of India ordered a nationwide lockdown initially for 21 days and which was subsequently extended in phases till mid of May 2020 to prevent community spread of COVID-19 in India resulting in significant reduction in economic activities. Measures taken to contain the spread of the virus, including travel bans, quarantines, social distancing, and closure of non-essential services had triggered significant disruptions to businesses worldwide, resulting in an economic slowdown.

COVID-19 is significantly impacting business operations of the companies, by way of interruption in production, supply chain disruption, unavailability of personnel, closure / lock down of production facilities etc. Your Company has taken necessary measures to contain the spread of virus in the project sites and in the various offices from where the employees are functioning. In spite of the various safety measures taken by the Company some of the employees, workers were infected with the virus.

## Events subsequent to the date of financial statement

As per the requirement of Section 134(3)(l) of the Companies Act, 2013, We hereby intimate that your Company has no significant material changes and commitments affecting financial position of the company between 31st March, 2021 and the date of Board's Report

## Economic and Business Review

The Indian economy is reported to have contracted by 7.3% in FY-2021. Most of the large and medium businesses including banks in India have managed the pandemic risk prudently. However, the badly hit sectors are MSME, sports, entertainment, tourism, hospitality and service sectors. But we are confident that economic momentum will improve as the large developmental projects like infrastructure and construction get into full swing. Despite the pandemic, the agricultural sector has done well in FY-21. With the prediction of a normal monsoon in FY-22, the agrarian sector is expected to do well in this year also. Being a developing nation India must catch up and align with the developed world in terms of economic recovery. Indian economy is projected to grow 11% in FY-22 backed by the budget allocation for development activities and the ongoing vaccination drive. We are happy that the various ministries of the Govt of India, State governments and RBI are proactively working towards this. As a sign of recovery in the last quarter of FY-21 the Indian economy grew by 1.6%.

## State of Company's Affairs

The year under review has seen significant reduction in turnover / business activity as the impact of COVID 19 Pandemic has been fully felt almost throughout the year except for brief spells of respite. The relief seen in the initial phase of Pandemic has been shortlived and when signs of normalcy have started to appear, the signs of 2<sup>nd</sup> wave have set in casting a spell on the economic activity revival. The impact is more conspicuous in construction / real estate sector – particularly commercial real estate space.

With the things starting to see normalcy from the effects of Pandemic, now Your Company has started to pursue the Project at Ongole (Villas / Apartments) with few positive signals / trends in the project area.

The Company has obtained all required approvals from the concerned authorities to develop apartments complex by name "Newyork" at "Allasandra" near Yalahanka in Bangalore City on development basis. The project involves development of 5.61 Lakh SFT of total area tentatively (including the land owners share). The work on this is expected to be started soon after the financial closure is achieved which is expected shortly.

The work on the project called "Lake City" at Hafeezpet, Hyderabad, through its associate (Vasavi Realtors LLP) has been progressing and it is expected to achieve faster pace during the year. The project involves development of residential apartments for a total area of about 30 Lakhs SFT.

The Company has also been successful in acquiring a piece of land admeasuring 2.92 Acres in Khanamet, Near Hitech City, Hyderabad through online auction conducted by Telangana State Government. The acquisition is meant for a residential complex to be developed and it is being pursued for completing the formalities related to land acquisition and to take up all the works connected with the approvals and planning for the project.

The Company is awaiting for RERA clearances to initiate the marketing activities.

## Change in Nature of Business

During the period under review, there has been no change in the nature of business of the Company.

## Material changes if any affecting the financial position of the Company

There was no material change or commitment affecting the financial position of the Company.

Pursuant to the provisions of the Act and the listing regulations, the Board has carried out annual performance evaluation of its own, the individual directors as well as the Board committees (Audit committee, Nomination and Remuneration committee, Corporate Social Responsibility committee and Stakeholders Relationship committee). A structured set of criteria was adopted after taking into consideration the inputs received from the directors, covering various aspects of the Board's functioning such as adequacy of the composition of the Board and its Committees, Board culture, execution and performance of specific duties, obligations and governance. Evaluation of the Board members is conducted on an annual basis by the Board, Nomination and Remuneration committee and Independent Directors with specific focus on the performance and effective functioning of the Board and individual directors.

The Nomination and Remuneration committee had specified criteria for performance evaluation of Directors, Committees and Board as a whole and recommended the same to the Board for evaluation.

#### **Performance indicators for evaluation of Independent directors:**

Independent directors have three key roles – governance, control and guidance. Some of the performance indicators based on which the Independent directors are evaluated are:

- Ability to contribute to and monitor corporate governance practices.
- Ability to contribute by introducing international best practices to address top management issues.
- Active participation in long term strategic planning.
- Commitment to the fulfilment of a Director's obligations and fiduciary responsibilities.

Attendance: The performance evaluation of Independent or non-executive directors is done by the Board annually based on criteria of attendance and contributions at Board / Committee meetings as also the role played other than at meetings.

The evaluation process also considers the time spent by each of the Board members, core competencies, personal characteristics, accomplishment of specific responsibilities and expertise.

#### **Policy on Directors' Appointment, Remuneration & Other details**

The Company adopted a policy relating to the remuneration. This Policy covers the remuneration and other terms of employment for the Company's Executive Team. The remuneration policy for members of the Board and for management, aims at improving the performance and enhancing the value of the Company by motivating and retaining them and to attract the right persons to the right jobs in the Company. The object of this Remuneration Policy is to make your Company a desirable workplace for competent employees and thereby secure competitiveness, future development and acceptable profitability. In order to achieve this, it is imperative that the Company is in a position to offer competitive remuneration in all its operational locations.

A detailed policy on remuneration of the Directors and Senior Management is placed on the Company's website under the web link: <https://www.manjeera.com>.

#### **Policy for Selection of Directors and Determining Directors' Independence**

The Nomination and Remuneration committee identifies persons who are qualified to become directors and who may be appointed in senior management in accordance with the criteria laid down and recommend to the Board for their appointment and removal.

#### **The Criteria for the Appointment of Directors, KMPs and Senior Management**

A person for appointment as director, KMP or in senior management should possess adequate qualifications, expertise and experience for the position considered for appointment. The Nomination and Remuneration committee decides whether qualification, expertise and experience possessed by a person are sufficient for the concerned position. The committee ascertains the credentials and integrity of the person for appointment as director, KMP or senior management level and recommends to the Board his / her appointment.

The Committee, while identifying suitable persons for appointment to the Board, will consider candidates on merit against objective criteria and with due regard for the benefits of diversity on the Board.

The Nomination and Remuneration committee shall assess the independence of directors at the time of appointment, re-appointment and the Board shall assess the same annually. The Board shall re-assess determination of independence when any new interests or relationships are disclosed by a Director.

The criteria of independence are as prescribed in the Act and the listing regulations and the Independent directors shall abide by the Code specified for them in Schedule IV of the Act.

- they laid down internal financial controls to be followed by the company and that such internal financial controls were adequate and operating effectively; and
- they devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

### Extract of Annual Return

As required under the provisions of Section 134(3) (a) and of section 92(3) of the Companies Act, 2013 read with Rule 12 of the Companies (Management and Administration) Rules, 2014, the extract of annual return in Form No.MGT-9 forms part of this report as **Annexure I**.

### Statutory Auditors

In compliance with the Companies (Audit and Auditors) Rules, 2014, M/s. M. Bhaskara Rao & Co., Chartered Accountants, has been appointed as Statutory Auditors of the Company by the members at their 33<sup>rd</sup> Annual General Meeting held on 19<sup>th</sup> December, 2020 to hold office from the conclusion of 33<sup>rd</sup> Annual General Meeting (AGM) till the conclusion of 38<sup>th</sup> Annual General Meeting ('AGM') of the company.

The Auditor's Report for Standalone Financial Statements for the financial year 2020-21 does not contain any qualification, reservation or adverse remark. The Auditor's Report is enclosed with the financial statements in this Annual Report.

The Notes on Accounts referred to in the Auditors Report are self-explanatory and therefore do not require any further comments.

The Standalone Financial Statements doesn't contain any qualification, but the auditors of the Subsidiary Company "Manjeera Retail Holdings Private Limited" have expressed following Qualified Opinion, Disclaimer of Opinion and Emphasis of Matter which are reflected in the consolidated financial statements:

Observation	Management Views
<p><b>Basis for Qualified Opinion:</b></p> <p>As detailed in note 2.i in the accompanying consolidated financial results, inventory of properties under development at March 31, 2021 include interest cost on the borrowings capitalized in the earlier years — Rs. 3,055.98 Lakhs (Upto March 31, 2020 — Rs. 3,149.78 Lakhs), which in their opinion, is not in accordance with the requirements of Indian Accounting Standards (Ind AS) 23 "Borrowing Cost". Had the Company followed the accounting principles as laid down under Ind AS 23, the balance of inventories and Other Equity as at March 31, 2021 would have been lower by Rs. 3,055.98 Lakhs (March 31, 2020: Rs. 3,149.78 Lakhs). Our Audit Report for previous year was also Qualified in respect of this matter.</p>	<p>The project being executed by the subsidiary is still under progress of construction and capable of having a cash flows including the interest capitalized. Hence in the opinion of the management, capitalization is in accordance with the Ind AS 23 "Borrowing Cost". As a result, it does not require any adjustment to the financial statements.</p>

<p><b>Emphasis of Matter</b></p> <p>We draw attention to Note: 2 of the Statement which describes the uncertainties and the management's assessment of the financial impact due to lock down and other restrictions and conditions related to COVID-19 pandemic situation, for which a definitive assessment of the impact in the subsequent period is highly dependent on future economic developments and circumstances as they evolve.</p> <p>Our opinion is not modified in this matter.</p>	<p>The Company made a detailed assessment of it's liquidity position for the next year and the recoverability and carrying value of it's assets comprising property, plant and equipment, investment properties, inventory, receivables, other financial and non financial assets etc. Based on current indication of future economic conditions, the Company expects to recover the carrying amount of these assets. The situation is changing rapidly giving rise to inherent uncertainty around the extent and timing of the potential future impact of COVID-19 which may be different from that estimated as at the date of approval of these financial statements.</p>

### Management Discussions & Analysis Report

#### Industry Structure and Developments

##### The Global Economy

Global prospects remain highly uncertain one year into the pandemic. New virus mutations and the accumulating human toll raise concerns, even as growing vaccine coverage lifts sentiment. Economic recoveries are diverging across countries and sectors, reflecting variation in pandemic-induced disruptions and the extent of policy support. The outlook depends not just on the outcome of the battle between the virus and vaccine-it also hinges on how effectively economic policies deployed under high uncertainty can limit lasting damage from this unprecedented crisis.

Yet, even with high uncertainty about the path of the pandemic, a way out of this health and economic crisis is increasingly visible. Thanks to the ingenuity of the scientific community, we have multiple vaccines that can reduce the severity and frequency of infections. In parallel, adaptation to pandemic life has enabled the global economy to do well despite subdued overall mobility, leading to a stronger-than-anticipated rebound, on average, across regions. The spread of the pandemic has been in waves. Additional fiscal support in some economies on top of an already unprecedented fiscal response last year and continued monetary accommodation further uplift the economic outlook. Global growth is projected at 6 percent in 2021, moderating to 4.4 percent in 2022. The projections for 2021 and 2022 are stronger than in the October 2020 of World Economic Outlook.

High uncertainty surrounds this outlook, related to the path of the pandemic, the effectiveness of policy support to provide a bridge to vaccine-powered normalization, and the evolution of financial conditions. Economies also continue to adapt to new ways of working despite reduced mobility, leading to a stronger-than anticipated rebound across regions.

A high degree of uncertainty surrounds these projections, with many possible downside and upside risks. Much still depends on the race between the virus and vaccines. Greater progress with vaccinations can uplift the forecast, while new virus variants that evade vaccines can lead to a sharp downgrade. Large divergences in recovery speeds also raise the prospect of divergent policy stances. A tailored approach will be necessary, with policies well calibrated to the stage of the pandemic, strength of the economic recovery, and social and economic circumstances of individual countries.

On the international stage, first and foremost, countries need to work together to ensure widespread vaccinations across the world. The vaccine industry is attempting to produce three times the level of vaccines produced in a normal year. Not surprisingly, they are facing major challenges, including input supply bottlenecks. Vaccine access is also deeply inequitous with high-income countries, with 16 percent of the world's population, having pre-purchased 50 percent of the doses. Countries will need to work together to resolve production bottlenecks, ramp up

production, ensure universal access, including through funding the COVAX facility on which many low-income countries rely heavily for doses, and avoid export controls. Even while all eyes are on the pandemic, it is essential that progress be made on resolving trade and technology tensions. Countries should also cooperate on climate change mitigation, digitalization, modernization of international corporate taxation, and on measures to limit cross-border profit shifting, tax avoidance, and evasion.

## The Indian Economy

India has emerged over the years, as one of the fastest growing major economies in the world and is expected to be one of the top three economic powers in the world over the next 10-15 years, backed by its robust democracy and strong partnerships. Private consumption emerged out of three successive quarters of contraction as pent up demand was released with progressive unlocking after the first wave. Government spending surged back to save the economy which has grown at 1.6 per cent in the fourth quarter FY 2020-21.

India's real gross domestic product (GDP) at current prices stood at ₹ 195.86 lakh crore (US\$ 2.71 trillion) in FY21, as per the second advance estimates (SAE) for 2020-21. Agriculture cushioned the shock of the COVID-19 pandemic on the India economy in 2020-21 with a growth of 3.4 per cent in both Q1 and Q2. As India's mobility and pandemic trends aligned and improved concomitantly, indicators like E-way bills, rail freight, GST collections and power consumption not only reached pre-pandemic levels but also surpassed previous year levels. We are holding on to the growth and waiting for Covid to lie low. India recorded a current account surplus of 3.1 per cent of GDP last year. In April 2021, 5.8 crore e-way bills were issued. In terms of value, e-way bills generation reached ₹ 17.36 lakh crore (US\$238.33 billion) in April 2021 as against ₹ 3.9 lakh crore (US\$ 53.54 billion) in April 2020. Since May 2020, continued recovery of interstate freight transportation has laid a good foundation for economic recovery. We need to appreciate that India has attracted highest ever total FDI inflow of US\$ 81.72 billion during the financial year 2020-21 and it is 10% higher as compared to the last financial year 2019- 20 (US\$ 74.39 billion). Growth in capex expenditure is expected to stimulate revenues and return the economy to high growth trajectories. Going forward, one of the biggest growth drivers is likely to be government consumption as well.

These conservative estimates reflect upside potential that can manifest due to the continued normalisation in economic activities as the rollout of COVID-19 vaccines gathers traction. This will further be supported by supply-side push from reforms and easing of regulations, push to infrastructural investments, boost to manufacturing sector through the Productivity Linked Incentive Schemes, recovery of pent-up demand for services sector, increase in discretionary consumption subsequent to roll-out of the vaccine and pick up in credit given adequate liquidity and low interest rates.

India needs to increase its rate of employment growth and create 90 million non-farm jobs between 2023 and 2030's, for productivity and economic growth according to McKinsey Global Institute. Net employment rate needs to grow by 1.5% per year from 2023 to 2030 to achieve 8-8.5% GDP growth between 2023 and 2030.

## INDUSTRY OVERVIEW

Indian real estate sector has witnessed high growth in the recent times with rise in demand for office as well as residential spaces. Indian real estate attracted US\$ 5 billion institutional investments in 2020, equivalent to 93% of transactions recorded in the previous year. Investments from private equity (PE) players and VC funds reached US\$ 4.06 billion in 2020. The real estate segment attracted private equity investments worth Rs. 23,946 crore (US\$ 3,241 million) across 19 deals in Q4 FY21. Exports from SEZs reached Rs. 7.96 lakh crore (US\$ 113.0 billion) in FY20 and grew approximately 13.6% from Rs. 7.1 lakh crore (US\$ 100.3 billion) in FY19. According to the data released by Department for Promotion of Industry and Internal Trade Policy (DPIIT), construction is the third-largest sector in terms of FDI inflow. FDI in the sector (including construction development & activities) stood at US\$ 50.8 billion between April 2000 and March 2021.

However, The industry might face delays with the timelines of existing construction getting shifted due to the lockdown and pandemic related concerns., , Given the uncertainties, the sector will tread with caution.

Although, the Central bank stepped in to bring in increased liquidity and accelerated rate cuts, it is imperative that these benefits are transmitted efficiently to stimulate further demand and revival of the industry.

Over the year the RERA Act has undergone various changes to make real estate purchase simpler, by bringing in better accountability and transparency. Various departments of urban development of various states has also notified rules to bring relief to the builders facing problems due to the ongoing COVID-19 pandemic.

The sector is undergoing a structural transformation, wherein it is becoming more institutionalized and transparent which resulted in good amount of interest flowing from the investors. The real estate sector witnessed approx. US\$ 5billion of investments during the calendar year 2020. The slowdown in the near-term is due to the COVID-19 pandemic as well as diversion of significant resources for damage control and maintaining sufficient liquidity.

## Outlook

The International Monetary Fund (IMF) has sharply scaled down India's economic growth projection by 300 basis points to 9.5 per cent for the current financial year 2021-22 from 12.5 per cent estimated earlier in April 2021. IMF said the downward revision is owing to "lack of access to vaccines" and possibility of renewed waves of coronavirus.

"Growth prospects in India have been downgraded following the severe second Covid wave during March-May of 2021 and expected slow recovery in confidence from that setback," IMF said in the latest edition of its flagship World Economic Outlook (WEO) report, released on 27th July 2021.

IMF's projections for India in the current fiscal year 2021-22 are similar to the Reserve Bank of India's (RBI's), but moderately optimistic than those of World Bank.

The World Bank projected India's economy to grow at 8.3 per cent in Fiscal year 2021-22, even as its recovery is being hampered by an unprecedented second wave of the COVID-19.

However, IMF sees India's gross domestic product (GDP) growing by 8.5 per cent, 160 basis points higher than its earlier projection, in the next financial year (FY23). Should that happen, India would become the most rapidly expanding large economy in the world compared to China, which is projected to grow by 5.7 per cent.

### Risks and Concerns

The Indian real estate sector has come a long way since the 1990s' by becoming one of the fastest growing markets in the world. It is not only successfully attracting domestic real estate investment but foreign investments too. The growth of the industry is attributed mainly to India's growing population, rising income level and rapid urbanization. However, despite the positive outlook for the sector in the coming years, it is battling challenges. The Company works in an environment which is affected by various factors, some of which are controllable while some are outside the control of the Company.

These challenges restrain the sector from yielding full benefits of the potential growth. The COVID-19 Pandemic has left its indelible mark on the functioning of the sector for most part of the FY 2020-21 with the second wave reaching its peak in March-May 2021. The signs of respite from second wave are clearly visible though there are differing opinions about a possible third wave. With such predictions about recurrence of COVID-19 Pandemic it will be too risky to make any predictions about the functioning of the industry in the near term.

### Developments

The demand in the Construction work for corporate / commercial spaces of the Company witnessed a dip due to the ongoing COVID-19 pandemic.

The COVID-19 pandemic reduced the investment in construction related projects in the range of 13 per cent to 30 per cent, and reduced the GVA of the construction sector between 15% to 34% and employment in the construction sector between 11% to 25%. However, construction sector registered a healthy growth of 14.5 per cent in the January to March quarter of 2020-21

The Company is also focusing on the improved execution efficiencies, cost competitiveness and better services to existing & potential customers in order to increase sales.

The key aspects of business philosophy of Manjeera group are on-time delivery; cost competitiveness, high quality standards with focus on best in class Health, Safety and Environment. Integrated strengths coupled with experienced and highly skilled work force, are the key enablers in delivering critical and complex projects. Manjeera Group has managed to create several landmark projects in residential, commercial, retail and hospitality sectors. The projects developed by the Company mostly pertain to the middle and high income groups. Having made its mark in the city of its birth, Manjeera has entered Vijayawada and Rajahmundry in the earlier years and is now expanding into other cities like Bengaluru, and Ongole. Its projects stand as hallmarks of quality construction, clear titles and value for money.

### Segment-Wise Performance

The Company has two separate business segments – Real Estate and Construction Contracts. These are reportable segments in accordance with the IND AS 108 issued by the Companies (Indian Accounting Standards), Rules, 2015. The Segment wise results are given at Note No.37 to the financial statements.

## Strengths and Opportunities

Wide range of expertise spanning over 34 years in the construction sector, professional and competent senior management team.

Well established brand recognition and goodwill.

Diversified product mix ranging across residential, commercial and retail and Hospitality space.

Strategically located projects with high selling potential. Identifying customer requirements and developing quality products.

The Company's brand image has further improved with a recall value owing to its presence for a longer period and its commitment to quality and timely completion of projects.

The experience and expertise gained in its field of activities have enabled the company to fast identify and create opportunities for new businesses.

## Weaknesses and Threats

## Financial Performance & Operational Review

Your Company is focusing on execution of its existing projects. The key strategy will be focused around:

1. Timely completion of Projects
2. Financial strength & liquidity
3. Professional Management
4. Customer care
5. Brand Equity

During the year under review, the Company registered total revenue of Rs.3132.25 Lakhs as compared to 9690.81 lakhs for the previous year. The Operations during the year has resulted into a Loss after Tax of an amount of Rs.763.94 Lakhs compared to a Profit after Tax of Rs. 12.90lakhs for the previous financial year. The Operations have been hit by the constraints posed by Pandemic COVID 19 in both its sale of residential space activity as well as the Sub-contracted receipts activity. While the sub-contracted receipts activity has seen a reduction in revenues of upto 40% compared to previous year, the revenues from residential space has seen a greater reduction by 80% compared to previous year. The drop in business activity can be better understood with the reduction clocked during the year in both the segments. The prime reason for the drop in the activity has been the impact felt by the businesses owing to the effects of Pandemic COVID 19 and the associated lockdowns and slow down experienced during the year. Though there have been reduction in some of the expenditure, the severe drop in the revenue generation has had its clear impact on the profitability of the operations of the Company.

#### Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI 's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

#### Emphasis of Matter:

We draw attention to Note: 41 of the standalone financial statements which describes the uncertainties and the management's assessment of the financial impact due to lock down and other restrictions and conditions related to CoVID-19 pandemic situation, for which a definitive assessment of the impact in the subsequent period is highly dependent on future economic developments and circumstances as they evolve.

Our opinion is not modified in this matter.

#### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report

### Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of other information. The other information comprises the information included in the Management Discussion and Analysis, Financial and Operational Review, Director's Report, Corporate Governance Report, Annual Report on CSR activities, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit, or otherwise appears to be materially misstated.

If, based on the work we have performed we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with The Accounting Standards specified under section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditors' Responsibility for the Audit of Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the 'Annexure A', a statement on the matters specified in paragraphs 3 and 4 of the Order, to the applicable.

## Annexure B to the Independent Auditors' report

(Referred to in paragraph '2.f' under 'Report on Other Legal and Regulatory Requirements' section of our report to the members of **Manjeera Constructions Limited** of even date)

### Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Manjeera Constructions Limited** ("the Company") as of March 31, 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

#### Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by ICAI and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

#### Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### Opinion

In our opinion, the Company has, in all material respects, maintained adequate internal financial controls over financial reporting as of March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India, and except for the possible effects of the material weakness described above on the achievement of the objectives of the control criteria, the Company's internal financial controls over financial reporting were operating effectively as of March 31, 2021.

## Notes Forming Part of Standalone Financial Statements for the period ended March 31, 2021

### 1. Corporate Information

Manjeera Constructions Limited is a company registered in India under the companies act, 1956, having its registered office at 711, Manjeera Trinity Corporate, JNTU and Hitech City Road, KPHB Colony, Hyderabad - 500072 is in the business of property development, civil construction contracts, infrastructure projects development and Windmill Energy Production.

### 2. Statement of Compliance, Basis of preparation and presentation and Significant Accounting Policies

#### 2.1 Statement of compliance and Basis of preparation

**2.1.a** The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of Companies Act, 2013, (the 'Act') and other relevant provisions of the Act.

**2.1.b** The standalone financial statements were authorised for issue by the Company's Board of Directors at its meeting held on June 30, 2021.

**2.1.c** Details of the Company's accounting policies are included here under in this Note.

**2.1.d** Functional and presentation currency

These standalone financial statements are presented in Indian Rupees (Rs.), which is also the Company's functional currency. All amounts have been rounded-off to two decimal places to the nearest Lakhs, unless otherwise indicated.

#### 2.1.e Basis of measurement

The standalone financial statements have been prepared on the historical cost basis except for the following items:

Items	Measurement basis
Certain financial assets and liabilities	Fair value
Share-based payments	Fair value
Net defined benefit (asset) / liability	Fair value of plan assets less present value of defined benefit obligations

#### 2.1.f Measurement of fair values

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability or
- In the absence of a principal market, in most advantageous market for the asset or liability

The Principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financials statement are categories within in the fair value hierarchy described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1: Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2: Valuation techniques for which the lowest level inputs that is significant to the fair value measurement is directly or indirectly observable
- Level 3: Valuation techniques for which the lowest level inputs that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by reassessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

## 2.1.g Use of estimates

In preparing these standalone financial statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates:

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

### Judgements

- a. Critical judgements in applying accounting policies: The following are the critical judgements, apart from those involving estimations, that the directors have made in the process of applying the Company's accounting policies and that have the most significant effect on the amounts recognised in the financial statement.

**Key sources of estimation uncertainty:** The following are the key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

Items requiring significant estimate	Assumption and estimation uncertainty
Provision for doubtful receivables (Refer Note no 11)	The company makes provision for Expected Credit loss based on a provision matrix which takes into account historical credit loss experience and adjusted for current estimates.
Estimation of net realisable value of inventories (Refer Note no 10)	Inventories are stated at the lower of cost and Fair value. In estimating the net realisable value / Fair value of Inventories the Company makes an estimate of future selling prices and costs necessary to make the sale.
Provision for employee benefits (Refer Note no 19)	The Company uses actuarial assumptions to determine the obligations for employee benefits at each reporting period. These assumptions include the discount rate, expected long-term rate of return on plan assets, rate of increase in compensation levels and mortality rates.
Provision for taxes (Refer Note no 25)	Significant judgments are required in determining the provision for income taxes, including the amount expected to be paid/recovered for uncertain tax positions.
Useful lives of property, plant and equipment (Refer Note no 3)	The company reviews the estimated useful lives of property plant and equipment at the end of each reporting period. During the current year, there has been no change in life considered for the assets.
Fair value measurements and valuation processes	In estimating the fair value of an asset or a liability, the Company uses market-observable data to the extent it is available. Where Level 1 inputs are not available, the Company engages third party qualified valuers to perform the valuation. Finance team works closely with the qualified external valuers to establish the appropriate valuation techniques and inputs to the model. The Chief Financial Officer reports the valuation committee's findings to the board of fluctuations in the fair value of the assets and liabilities.
Determination of the timing of revenue recognition on the sale of completed and under development property	The Company has evaluated and generally concluded that the recognition of revenue over the period of time criteria are not met owing to non-enforceable right to payment for performance completed to date and, therefore, recognises revenue at a point in time. The Company has further evaluated and concluded that based on the analysis of the rights and obligations under the terms of the contracts relating to the sale of property, the revenue is to be recognised at a point in time when control transfers which coincides with receipt of Occupation Certificate.
Determination of performance obligations	With respect to the sale of property, the Company has evaluated and concluded that the goods and services transferred in each contract constitute a single performance obligation. In particular, the promised goods and services in contracts for the sale of property is to undertake development of property and obtaining the Occupation Certificate. Generally, the Company is responsible for all these goods and services and the overall management of the project. Although these goods and services are capable of being distinct, the Company accounts for them as a single performance obligation because they are not distinct in the context of the contract.

## 2.1.h Current Versus Non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

- i) An asset is treated as current when it is:
  - Expected to be realised or intended to be sold or consumed in normal operating cycle
  - Held primarily for the purpose of trading
  - Expected to be realised within twelve months after the reporting period, or
  - Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period
- ii) All other assets are classified as non-current.
- iii) A liability is classified as current when:
  - It is expected to be settled in normal operating cycle.
  - It is held primarily for the purpose of trading.
  - It is due to be settled within twelve months after the reporting period, or
  - There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.
- iv) All other liabilities are classified as non-current.
- v) Deferred tax assets and liabilities are classified as non-current assets and liabilities.

## 2.2 Significant accounting policies

### 2.2.1 Revenue Recognition

Revenue is recognised to the extent that it is probable, that the economic benefits will flow to the Company and the collectability is reasonably assured.

#### 2.2.1.a Real estate sales - Ind AS 115 – Revenue from contracts with customers

The Company develops and sells residential properties. Revenue from contracts is recognised when control over the property has been transferred to the customer. An enforceable right to payment does not arise until the development of the property is completed. Therefore, revenue is recognised at a point in time when the legal title has passed to the customer and the development of the property is completed. The revenue is measured at the transaction price agreed under the contract.

#### 2.2.1.b Interest income

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

#### 2.2.1.c On Construction Contracts (Undertaken as Contractors)

The Company follows percentage completions methods for counting of Constructions Contracts undertaken

#### 2.2.1.d Windmill energy sales are accounted on sales accrued

#### 2.2.1.e Price escalation is carried out in the year of settlement of claims/ bills.

#### 2.2.1.f Dividend income is accounted when the right to receive dividend is established.

### 2.2.2 Inventories

Inventory comprises properties under development

Properties under development consists of cost of land, land development expenses, construction cost, interest and financial charges and other expenses and is valued at lower of cost and net realizable value.

### 2.2.3 Employee Benefits

Employee benefits include provident fund, gratuity fund and compensated absences.

#### 2.2.3.a Provident Fund

Retirement benefit in the form of a provident fund is a defined contribution scheme and contributions are charged to the Statement of Profit and Loss of the Year when the contributions to the respective funds are due. There are no other obligations other than the contribution payable to the respective authorities.

#### 2.2.3.b Gratuity

Gratuity is a post - employment defined benefit obligation

Liability on account of gratuity is determined using the projected unit credit method, with actuarial valuations being carried out at each balance sheet date and charged to Statement of Profit and Loss. Actuarial gains and losses are recognized in the Statement of Profit and Loss - Other Comprehensive Income, in the period in which such gains or losses arises.

### 2.2.3.c Compensated Absences

Accumulated leave, which is expected to be utilized within the next twelve months, is treated as short-term employee benefit. The Company measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date.

The Company treats accumulated leave expected to be carried forward beyond twelve months, as long-term employee benefit for measurement purposes. Such long-term compensated absences are provided for based on the actuarial valuation using the projected unit credit method at the year-end. Actuarial gains and losses are immediately taken to the Statement of Profit and Loss.

### 2.2.4 Borrowing Costs

Borrowing costs that are attributable to the acquisition or construction of qualifying assets that necessarily takes a substantial period of time to get ready for their intended use are capitalized as part of the cost of such assets. Interest income earned on the temporary investment of specific borrowings pending its expenditure on qualifying assets is deducted from the costs of qualifying assets. Other borrowing costs are recognised as an expense, in the period in which they are incurred.

### 2.2.5 Taxation

Income tax expense represents sum of the tax currently payable and deferred tax

**Current Tax:** Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India.

**Deferred tax:** Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary differences arise from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

#### Current and deferred tax for the year

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

### 2.2.6 Property, plant and equipment

Property, plant and equipment are carried at cost of acquisition less accumulated depreciation and impairment losses, if any. The cost of Property, plant and equipment comprises of purchase price, applicable duties and taxes, any directly attributable expenditure on making the asset ready for its intended use, other incidental expenses and interest on borrowings attributable to acquisition of qualifying fixed assets, upto the date the asset is ready for its intended use. "The initial estimate of the costs of dismantling and removing the item and restoring the site on which it is located is required to be included in the cost of the respective item of property plant and equipment" and "Cost of major inspections is recognised in the carrying amount of property, plant and equipment as a replacement, if recognition criteria are satisfied and any remaining carrying amount of the cost of previous inspection is derecognised"

Property, Plant and equipment retired from active use and held for sale are stated at the lower of their net book value and net realizable value and are disclosed separately.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

### 2.2.7 Investment Property

"Investment properties are properties held to earn rentals and/or for capital appreciation (including property under construction for such purposes). Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are measured in accordance with the Ind AS16's requirement for cost model. An investment property is derecognised upon disposal or when the investment property is permanently withdrawn from use and no further economic benefits expected from disposal. Any gain or loss arising on derecognition of the property is included in profit or loss in the period in which the property is derecognised."

### **2.2.8 Depreciation and Amortisation**

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost less its estimated residual value.

Depreciation on Property, Plant and equipment and Investment Property has been provided on the straight line method as per the useful life prescribed in Schedule II to the Companies Act, 2013

Intangible assets acquired separately are measured on initial recognition cost and are amortized on Straight Line Method based on the estimated useful economic life.

The amortized period and amortization method are reviewed at each financial year end.

### **2.2.9 Impairment of Assets**

Intangible assets and property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the CGU to which the asset belongs. If such assets are considered to be impaired, the impairment to be recognized in the statement of profit and loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the statement of profit and loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

### **2.2.10 Foreign currency transactions and translation**

#### **Initial recognition**

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

#### **Conversion**

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction; and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

#### **Exchange differences**

Exchange differences arising on the settlement of monetary items or on the reporting of monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as gains or losses in the year in which they arise.

### **2.2.11 Cash and cash equivalents**

Cash and cash equivalents in the cash flow statement comprise of cash at bank and on hand and include short term investments with an original maturity of three months or less.

### **2.2.12 Segment reporting**

#### **Identification of Segments**

The Company is primarily engaged in the businesses of real estate development and engaged in the business of undertaking the infra Projects which as per Ind AS 108 on 'Operating Segments' and both of them are considered to be the reportable business segments. The Company is operating in India which is considered as single geographical segment.

### **2.2.13 Earnings Per Share**

Basic earnings per equity share is computed by dividing the net profit for the year attributable to the Equity Shareholders by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the net profit for the year, adjusted for the effects of dilutive potential equity shares, attributable to the Equity Shareholders by the weighted average number of the equity shares and dilutive potential equity shares outstanding during the year except where the results are anti-dilutive.

### **2.2.14 Provisions, Contingent Liabilities and Contingent Assets**

The Company recognises provisions when there is present obligation as a result of past event and it is probable that there will be an outflow of resources and reliable estimate can be made of the amount of the obligation. A disclosure for Contingent liabilities is made in the notes on accounts when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Contingent assets are disclosed in the financial statements when flow of economic benefit is probable.

### **2.2.15 Financial instruments**

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial

liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

#### **2.2.15.a Financial assets**

Financial asset is

1. Cash / Equity Instrument of another Entity,
2. Contractual right to –
  - a) receive Cash / another Financial Asset from another Entity, or
  - b) exchange Financial Assets or Financial Liabilities with another Entity under conditions that are potentially favourable to the Entity.”

#### **Subsequent measurement of the financial assets**

##### **(i) Financial assets carried at amortised cost**

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

##### **(ii) Financial assets at fair value through other comprehensive income**

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Further, in case where the company has made an irrevocable selection based on its business model, for its investments which are classified as equity instruments, the subsequent changes in fair value are recognized in other comprehensive income.

##### **(iii) Financial assets at fair value through profit or loss**

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss.

##### **(iv) The Company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised is recognized as an impairment gain or loss in statement of profit or loss.**

#### **2.2.15.b Financial liabilities**

Financial liability is Contractual Obligation to

- a) deliver Cash or another Financial Asset to another Entity, or
- b) exchange Financial Assets or Financial Liabilities with another Entity under conditions that are potentially unfavourable to the Entity.”

#### **Subsequent measurement of the financial liabilities**

Financial liabilities are subsequently carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate the fair value due to the short maturity of these instruments.

#### **Derecognition of financial instruments**

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's balance sheet when the obligation specified in the contract is discharged or cancelled or expires.

#### **2.2.16 Cash Flow Statement**

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

#### **2.2.17 Exceptional Items**

Exceptional Items represents the nature of transactions which are not in recurring nature during the ordinary course of business but lead to increase / decrease in profit / loss for the year.

### C. Sensitivity analysis

#### Description of Risk Exposures

Valuations are performed on certain basic set of pre-determined assumptions which may vary over time. Thus, the Company is exposed to various risks in providing the above benefit which are as follows:

**Interest Rate Risk:** The plan exposes the Company to the risk of fall in interest rates. A fall in interest rates will result in an increase in the ultimate cost of providing the above benefit and will thus result in an increase in the value of liability (as shown in financial statements).

**Liquidity Risk:** This is the risk that the Company is not able to meet the short term benefit payouts. This may arise due to non availability of enough cash/cash equivalent to meet the liabilities or holding of illiquid assets not being sold in time.

**Salary Escalation Risk:** The present value of the above benefit plan is calculated with the assumption of salary increase rate of plan participants in future. Deviation in the rate of increase in salary in future for plan participants from the rate of increase in salary used to determine the present value of obligation will have a bearing on the plan's liability.

**Demographic Risk:** The company has used certain mortality and attrition assumptions in valuation of the liability. The Company is exposed to the risk of actual experience turning out to be worse compared to the assumption.

**Regulatory Risk:** Gratuity benefit is paid in accordance with the requirements of the Payment of Gratuity Act, 1972 (as amended from time to time). There is a risk of change in regulations requiring higher gratuity payouts (for example, increase in the maximum liability on gratuity of Rs. 10 Lakhs).

**Asset Liability Mismatching or Market Risk:** The duration of the liability is longer compared to duration of assets exposing the company to market risks for volatilities/fall in interest rate.

Significant actuarial assumptions for the determination of the defined benefit obligation are discount rate, expected salary increase and mortality. The sensitivity analysis below have been determined based on reasonably possible changes of the assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

### 20. Deferred Tax Liabilities (Net)

### Notes to financial instruments

The management assessed that the fair value of cash and cash equivalents, trade receivables, loans, trade payables and other financial liabilities approximate the carrying amount largely due to short-term maturity of these instruments. The management assessed that the fair value of borrowings approximate the carrying amount largely due to such borrowings carry floating interest rates or rates are negotiable.

The fair value of financial assets and liabilities is included as the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

## 39. Financial risk management

### Financial risk factors

The Company's activities expose it to market risk, liquidity risk and credit risk. The Company's Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements.

Risk	Exposure arising from	Measurement
Credit risk	Cash and cash equivalent, trade receivables, financial assets measured at amortized cost	Ageing analysis
Liquidity risk	Borrowings and other financial liabilities	Rolling cash flow forecasts
Market risk – Interest rate	Long-term borrowings at variable rates	Sensitivity analysis

#### a. Credit risk

Credit risk is the risk that a counterparty fails to discharge its obligation to the Company. The Company's exposure to credit risk is influenced mainly by cash and cash equivalents, trade receivables and financial assets measured at amortized cost. The Company continuously monitors defaults of customers and other counterparties and incorporates this information into its credit risk controls. Credit risk related to cash and cash equivalents and bank deposits is managed by accepting highly rated banks and diversifying bank deposits.

#### Credit risk management

The finance function of the Company assesses and manages credit risk based on internal credit rating system. Internal credit rating is performed for each class of financial instruments with different characteristics.

Based on business environment in which the Company operates, a default on a financial asset is considered when the counterparty fails to make payments within the agreed time period as per contract. Loss rates reflecting defaults are based on actual credit loss experience and considering differences between current and historical economic conditions.

Assets are written off when there is no reasonable expectation of recovery, such as a debtor declaring bankruptcy or a litigation decided against the Company. The Company continues to engage with parties whose balances are written off and attempts to enforce repayment. Recoveries made are recognized in statement of profit and loss.

## Notes Forming Part of Standalone Financial Statements for the period ended March 31, 2021

(All amounts in Rs Lakhs, except share data and where otherwise stated)

### Expected credit loss for trade receivables under simplified approach

#### Real estate business

The Company's trade receivables does not have any expected credit loss as registration of properties sold is generally carried out once the Company receives the entire payment. During the periods presented, the Company made no write-offs of trade receivables and no recoveries from receivables previously written off. But a general provision for Expected credit loss @ 0.25% has been provided.

#### b. Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due. Due to the nature of the business, the Company maintains flexibility in funding by maintaining availability under committed facilities.

Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows. The Company takes into account the liquidity of the market in which the entity operates.

#### Maturities of financial liabilities

The tables below analyze the Company's financial liabilities into relevant maturity groupings based on their contractual maturities for all financial liabilities. The amounts disclosed in the table are the contractual undiscounted cash flows.

As at March 31, 2021	Less than 1 year	1 years to 5 years	5 years and above	Total
<b>Non-derivatives</b>				
Borrowings	870.25	18,484.75	-	19,355.00
Trade payables	3,715.46	-	-	3,715.46
Other financial liabilities	222.48	-	-	222.48
<b>Total</b>	<b>4,808.19</b>	<b>18,484.75</b>	<b>-</b>	<b>23,292.94</b>
As at March 31, 2020	Less than 1 year	1 years to 5 years	5 years and above	Total
<b>Non-derivatives</b>				
Borrowings	2,070.11	15,653.48	-	17,723.59
Trade payables	3,691.00	-	-	3,691.00
Other financial liabilities	293.65	-	-	293.65
<b>Total</b>	<b>6,054.76</b>	<b>15,653.48</b>	<b>-</b>	<b>21,708.23</b>

#### c. Interest rate risk

The Company's fixed rate borrowings are carried at amortized cost. They are therefore not subject to interest rate risk as defined in Ind AS 107, 'Financial Instruments - Disclosures', since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

The Company's variable rate borrowing is subject to interest rate. Below is the overall exposure of the borrowing:

	March 31, 2021	March 31, 2020
Variable rate borrowing	5,857.61	5,494.49
Fixed rate borrowing	13,497.39	12,229.10
<b>Total borrowings</b>	<b>19,355.00</b>	<b>17,723.59</b>

#### Interest rate risk

Profit or loss is sensitive to higher / lower interest expense from borrowings as a result of changes in interest rates.

	March 31, 2021	March 31, 2020
Interest rates – increase by 50 basis points (50 bps)	(61.35)	(27.47)
Interest rates – decrease by 50 basis points (50 bps)	61.35	27.47

## 40. Capital Management

The Company's objectives when managing capital are to:

Safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and maintain an optimal capital structure to reduce the cost of capital.

In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares or sell assets to reduce debt.

The Company monitors its capital using gearing ratio, which is net debt divided by total equity. Net debt includes long term borrowings, short term borrowings, current maturities of long term borrowings less cash and cash equivalents and other bank balances.

- 41.** World Health Organisation (WHO) declared Coronavirus Disease (COVID-19) a global pandemic on March 11, 2020. Consequent to this, Government of India declared lockdown on March 23, 2020 and the Company suspended the operations in compliance with the lockdown instructions given by Central and State Governments. COVID-19 has impacted the normal business operations of the Company by way of interruptions in project disruptions, supply chain disruptions, unavailability of personnel, during the lock down period. Since the Lockdown has been announced at the beginning of the FY, there is an impact on the revenue stream of the company for the FY 2020-21. The Company made a detailed assessment of its liquidity position during the year and the recoverability and carrying value of its assets comprising property, plant and equipment, investment properties, investments, inventory, advances, receivables, other financial and non financial assets etc. Based on current indication of future economic conditions, the Company expects to recover the carrying amount of these assets. The situation is changing rapidly giving rise to inherent uncertainty around the extent and timing of the potential future impact of COVID-19 which may be different from that estimated as at the date of approval of these financial statements. The Central and State Governments have initiated steps to lift the lockdown and the Company will adhere to the same as it resumes its activities. Construction work at sites already restarted. The Company will continue to closely observe the evolving scenario and take into account any future developments arising out of the COVID-19 pandemic.

"In a significant relief to borrowers, RBI in a press conference dated March 27, 2020 announced that all banks and NBFCs have been permitted to allow a moratorium of 3 months on repayment of term loans outstanding on March 1, 2020 and further extended upto August 31, 2020. The Company availed moratorium for all secured loans for such period. The Company has opted to pay the interest for such period by adding to the outstanding principal loan and the loan tenure will be increased accordingly."

- 42.** Section 186 of the Companies Act 2013 is not applicable to the Company being the Company is in business of providing infrastructural facilities i.e., real estate development business covered under point 5(a) of the Schedule VI of the Companies Act, 2013.
- 43.** As per Section 135 of the Companies Act 2013, the Company is required to spend an amount of Rs. 8.63 Lakhs during the Financial Year towards CSR Expenditure. However the company has spent an amount of Rs. 9 Lakhs through Vasavi Foundation for promoting Education (Rs. 3 Lakhs), for promoting Employment (Rs. 3 Lakhs), and for promoting Skill Development (Rs. 3 Lakhs) which is Registered Entity bearing Registered No. CSR00002672 with MCA to undertake CSR Activities.
- 44.** Previous year's figures have been regrouped/rearranged to conform to those of the current year.

# Consolidated Independent Auditors' Report

To

The Members of **Manjeera Constructions Limited**

## Report on the Audit of the Consolidated Financial Statements

### Qualified Opinion

We have audited the accompanying Consolidated Financial Statements of **Manjeera Constructions Limited** (Holding Company) and its subsidiary (the Company and its subsidiary together referred to as "the Group"), and its associate comprising the Consolidated Balance Sheet as at March 31, 2021, the Consolidated Statement of Profit and Loss (including other Comprehensive Income), the Consolidated Statement of Cash Flow and the Consolidated Statement of Changes in Equity for the year then ended and summary of the significant accounting policies and other explanatory information ("here after referred to as "the Consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, excepts to the effects of the matter discussed in the Basis for Qualified Opinion section of our report, the aforesaid Consolidated financial statements give the information required by the Companies Act 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, the Consolidated Loss and its Consolidated Cash Flows for the year ended on that date.

### Basis for Opinion

We conducted our audit of the Consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the Consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion on the Consolidated financial statements.

### Basis for Qualified Opinion

As explained in Note 35 (c) of the consolidated financial statements as at March 31, 2021, inventory of properties under development include interest cost on the borrowings capitalised in the earlier years – Rs. 3,055.98 Lakhs (Upto March 31, 2020 – Rs. 3149.78 Lakhs), which in their opinion, is not in accordance with the requirements of Indian Accounting Standards (Ind AS) 23 "Borrowing Cost". Had the Company followed the accounting principles as laid down under Ind AS 23, the balance of inventories and reserves and surplus as at March 31, 2021 would have been lower by Rs. 3,055.98 Lakhs (Upto March 31, 2020 – Rs. 3149.78 Lakhs).

### Emphasis of Matter:

We draw attention to Note: 44 of the consolidated financial statements which describes the uncertainties and the management's assessment of the financial impact due to lock down and other restrictions and conditions related to CoVID – 19 pandemic situation, for which a definitive assessment of the impact in the subsequent period is highly dependent on future economic developments and circumstances as they evolve.

Our opinion is not modified in this matter.

### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report

### Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Group's Board of Directors is responsible for the preparation of other information. The other information comprises the information included in the Management Discussion and Analysis, Financial and Operational Review, Director's Report, Corporate Governance Report, Annual Report on CSR activities, but does not include the Consolidated financial statements and our auditor's report thereon.

Our opinion on the Consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated financial statements or our knowledge obtained during the course of our audit, or otherwise appears to be materially misstated.

If, based on the work we have performed we conclude that there is a material misstatement of this other information, we are required to report that fact.

### Management's Responsibility for the Consolidated Financial Statements

The group's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Consolidated financial statements that give a true and fair view of the Consolidated financial position, Consolidated financial performance, and Consolidated cash flows of the in accordance with The Accounting Standards specified under section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the Companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Consolidated financial statements, the respective Board of Directors of the Companies included in the Group are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the Companies included in the Group are also responsible for overseeing the Company's financial reporting process.

### **Auditors' Responsibility for the Audit of Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Consolidated financial statements

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Other Matter:**

The consolidated Financial statements include the audited Financial statements of one subsidiary and one associate, whose Financial Statements reflect Group's share of total assets of Rs. 587.87 Lakhs as at March 31, 202, Group's share of total revenue of Rs. 45.83 Lakhs and Group's share of total net profit after tax of Rs. 134.92 Lakhs before giving effect to the consolidated adjustments, as considered in the consolidated Financial statements, which have been audited by their respective independent auditors. The independent auditors' reports on standalone financial statements of these entities have been furnished to us and our opinion on the consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of these entities, is based solely on the report of such auditors and the procedures performed by us are as stated in paragraph above

## ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1(g) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

### Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Manjeera Constructions Limited (hereinafter referred to as the “the Holding Company”) as of March 31, 2021 in conjunction with our audit of the consolidated financial statements of the Holding Company for the year ended on that date.

#### Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its subsidiaries which are incorporated in India are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### Auditor’s Responsibility

Our responsibility is to express an opinion on the Holding Company’s internal financial controls over financial reporting with reference to these consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting with reference to these consolidated financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

#### Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting with reference to these consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting with reference to these consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

#### Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting with reference to these consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these consolidated financial statements to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### Opinion

In our opinion, the Group has, in all material respects, maintained adequate internal financial controls over financial reporting as of March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India, and except for the possible effects of the material weakness described above on the achievement of the objectives of the control criteria, the Group’s internal financial controls over financial reporting were operating effectively as of March 31, 2021.

## Notes Forming Part of Consolidated Financial Statements for the Year Ended March 31, 2021

(All amounts in Rs Lakhs, except share data and where otherwise stated)

### 1 Corporate Information

Manjeera Constructions Limited is a company registered in India under the companies act, 1956, having its registered office at 711, Manjeera Trinity Corporate, JNTU and Hitech City Road, KPHB Colony, Hyderabad - 500072 is in the business of property development, civil construction contracts, infrastructure projects development and Windmill Energy Production.

### 2 Significant Accounting Policies

#### 2.1 Statement of compliance

- 2.1.a These consolidated financial statements have been prepared in accordance with Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015, Companies (Indian Accounting Standards) Amendment Rules, 2016 and Companies (Indian Accounting Standards) Amendment Rules, 2017 as applicable.
- 2.1.b The consolidated financial statements were authorised for issue by the Company's Board of Directors at its meeting held on June 30, 2021.
- 2.1.c Details of the Company's accounting policies are included here under in this Note.
- 2.1.d Functional and presentation currency

These Consolidated financial statements are presented in Indian Rupees (Rs.), which is also the Company's functional currency. All amounts have been rounded-off to two decimal places to the nearest Lakhs, unless otherwise indicated.

#### 2.1.e Basis of measurement

The Consolidated financial statements have been prepared on the historical cost basis except for the following items:

Items	Measurement basis
Certain financial assets and liabilities	Fair value
Share-based payments	Fair value
Net defined benefit (asset)/ liability	Fair value of plan assets less present value of defined benefit obligations

#### 2.1.f Measurement of fair values

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability or
- In the absence of a principal market, in most advantageous market for the asset or liability

The Principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financials statement are categories within in the fair value hierarchy described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1: Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2: Valuation techniques for which the lowest level inputs that is significant to the fair value measurement is directly or indirectly observable
- Level 3: Valuation techniques for which the lowest level inputs that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by reassessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

(All amounts in Rs Lakhs, except share data and where otherwise stated)

### 2.1.g Use of estimates

In preparing these standalone financial statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

#### Estimates

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

#### Judgements

Critical judgements in applying accounting policies: The following are the critical judgements, apart from those involving estimations, that the directors have made in the process of applying the Company's accounting policies and that have the most significant effect on the amounts recognised in the financial statement.

**Key sources of estimation uncertainty:** The following are the key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

Items requiring significant estimate	Assumption and estimation uncertainty
Provision for doubtful receivables (Refer Note no 10)	The company makes provision for Expected Credit loss based on a provision matrix which takes into account historical credit loss experience and adjusted for current estimates.
"Estimation of net realisable value of inventories (Refer Note no 9)"	Inventories are stated at the lower of cost and Fair value. In estimating the net realisable value / Fair value of Inventories the Company makes an estimate of future selling prices and costs necessary to make the sale.
Provision for employee benefits (Refer Note no 18)	The Company uses actuarial assumptions to determine the obligations for employee benefits at each reporting period. These assumptions include the discount rate, expected long-term rate of return on plan assets, rate of increase in compensation levels and mortality rates.
Provision for taxes (Refer Note no 25)	Significant judgments are required in determining the provision for income taxes, including the amount expected to be paid/ recovered for uncertain tax positions.
"Useful lives of Property, Plant and Equipment (Refer Note no 3)"	The company reviews the estimated useful lives of property plant and equipment at the end of each reporting period. During the current year, there has been no change in life considered for the assets.
Fair value measurements and valuation processes	In estimating the fair value of an asset or a liability, the Company uses market-observable data to the extent it is available. Where Level 1 inputs are not available, the Company engages third party qualified valuers to perform the valuation. Finance team works closely with the qualified external valuers to establish the appropriate valuation techniques and inputs to the model. The Chief Financial Officer reports the valuation committee's findings to the board of fluctuations in the fair value of the assets and liabilities.
Determination of the timing of revenue recognition on the sale of completed and under development property	The Company has evaluated and generally concluded that the recognition of revenue over the period of time criteria are not met owing to non-enforceable right to payment for performance completed to date and, therefore, recognises revenue at a point in time. The Company has further evaluated and concluded that based on the analysis of the rights and obligations under the terms of the contracts relating to the sale of property, the revenue is to be recognised at a point in time when control transfers which coincides with receipt of Occupation Certificate.
Determination of performance obligations	With respect to the sale of property, the Company has evaluated and concluded that the goods and services transferred in each contract constitute a single performance obligation. In particular, the promised goods and services in contracts for the sale of property is to undertake development of property and obtaining the Occupation Certificate. Generally, the Company is responsible for all these goods and services and the overall management of the project. Although these goods and services are capable of being distinct, the Company accounts for them as a single performance obligation because they are not distinct in the context of the contract.

(All amounts in Rs Lakhs, except share data and where otherwise stated)

### 2.1.h Current Versus Non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

- i) An asset is treated as current when it is:
  - Expected to be realised or intended to be sold or consumed in normal operating cycle
  - Held primarily for the purpose of trading
  - Expected to be realised within twelve months after the reporting period, or
  - Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period
- ii) All other assets are classified as non-current.
- iii) A liability is classified as current when:
  - It is expected to be settled in normal operating cycle.
  - It is held primarily for the purpose of trading.
  - It is due to be settled within twelve months after the reporting period, or
  - There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.
- iv) All other liabilities are classified as non-current.
- v) Deferred tax assets and liabilities are classified as non-current assets and liabilities.

### 2.2 Principles of Consolidation

The Consolidated Financial Statements comprises Manjeera Constructions limited ("the Holding Company") and its subsidiaries as at March 31, 2021 and for the period ended on that date. The Consolidated Financial statement have been prepared on the following basis:

- a) The financial statements of the company and its subsidiaries are combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, Income and expenses after fully eliminating Intra-Group balances and Intra group Transactions resulting in unrelieved profit or loss in accordance with IND AS (INDAS) 110 on consolidated Financial statements notified under the companies (Indian Accounting standards) Rules 2015.
- b) The Financial statements of the subsidiaries used in the consolidation are drawn upto the same reporting date as that of the company i.e., March 31.
- c) The Excess of Cost to the company of its investments in the subsidiaries over the company's portion of equity is recognised in the Financial statements as Goodwill.

### 2.3 Significant accounting policies

#### 2.3.1 Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the collectability is reasonably assured.

##### 2.3.1.a Real estate sales - Ind AS 115 – Revenue from contracts with customers

The Company develops and sells residential properties. Revenue from contracts is recognised when control over the property has been transferred to the customer. An enforceable right to payment does not arise until the development of the property is completed. Therefore, revenue is recognised at a point in time when the legal title has passed to the customer and the development of the property is completed. The revenue is measured at the transaction price agreed under the contract.

##### 2.3.1.b Interest income

Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rates applicable. Interest income is included in the finance income in the statement of profit or loss.

##### 2.3.1.c Tenant recoveries

Tenant recoveries related to maintenance and other charges are recognized on an accrual basis in accordance with the terms of the lease agreement with the tenant.

##### 2.3.1.d On Construction Contracts (Undertaken as Contractors)

The Group follows percentage completions methods for accounting of Constructions Contracts undertaken

##### 2.3.1.e Windmill energy sales are accounted on sales accrued

## Notes Forming Part of Consolidated Financial Statements for the Year Ended March 31, 2021

(All amounts in Rs Lakhs, except share data and where otherwise stated)

**2.3.1.f** Price escalation is carried out in the year of settlement of claims/ bills.

**2.3.1.g** Dividend income is accounted when the right to receive dividend is established.

### **2.3.1.h Rental income**

Rental income from leases with scheduled rent increases, incentives, and other rent adjustments is recognized on a straight-line basis over the respective lease term. Amounts recognized as income in the current year and expected to be received in later years is disclosed as "Accrued rental income". Amounts received in the current year but recognized as income in future years, are disclosed as "Unearned rental income". Recognition of rental income is commenced from the date determined based on terms of lease agreements.

### **2.3.2 Inventories**

Inventory comprises properties under development and construction materials.

Properties under development consists of cost of Land, Land Development expenses, Construction Cost, Interest and Financial Charges and other expenses and is valued at lower of cost and net realisable value

Construction material is valued at lower of cost and net realizable value. Cost is determined based on first-in-first out basis.

### **2.3.3 Leases**

#### **Operating Leases**

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased assets are classified as operating leases. Operating lease payments are recognized as an expense in the statement of profit and loss on a straight-line basis over the lease term except where scheduled increase in rent compensates the company with expected inflationary costs.

### **2.3.4 Employee Benefits**

Employee benefits include provident fund, gratuity fund and compensated absences.

#### **2.3.4.a Provident Fund**

Retirement benefit in the form of a provident fund is a defined contribution scheme and contributions are charged to the Statement of Profit and Loss of the Year when the contributions to the respective funds are due. There are no other obligations other than the contribution payable to the respective authorities.

#### **2.3.4.b Gratuity**

Gratuity is a post - employment defined benefit obligation

Liability on account of gratuity is determined using the projected unit credit method, with actuarial valuations being carried out at each balance sheet date and charged to Statement of Profit and Loss. Actuarial gains and losses are recognized in the Statement of Profit and Loss - Other Comprehensive Income, in the period in which such gains or losses arises.

#### **2.3.4.c Compensated Absences**

Accumulated leave, which is expected to be utilized within the next twelve months, is treated as short-term employee benefit. The Company measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date.

The Group treats accumulated leave expected to be carried forward beyond twelve months, as long-term employee benefit for measurement purposes. Such long-term compensated absences are provided for based on the actuarial valuation using the projected unit credit method at the year- end. Actuarial gains and losses are immediately taken to the Statement of Profit and Loss.

### **2.3.4 Borrowing Costs**

Borrowing costs that are attributable to the acquisition or construction of qualifying assets that necessarily takes a substantial period of time to get ready for their intended use are capitalized as part of the cost of such assets. Interest income earned on the temporary investment of specific borrowings pending its expenditure on qualifying assets is deducted from the costs of qualifying assets. Other borrowing costs are recognised as an expense, in the period in which they are incurred.

### **2.3.5 Taxation**

Income tax expense represents sum of the tax currently payable and deferred tax

**2.3.5.a Current Tax:** Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India.

## Notes Forming Part of Consolidated Financial Statements for the Year Ended March 31, 2021

(All amounts in Rs Lakhs, except share data and where otherwise stated)

### 2.3.5.b Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary differences arise from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

### 2.3.5.c Current and deferred tax

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

### 2.3.6 Property, plant and equipment

Property, plant and equipment are carried at cost of acquisition less accumulated depreciation and impairment losses, if any. The cost of Property, plant and equipment comprises of purchase price, applicable duties and taxes, any directly attributable expenditure on making the asset ready for its intended use, other incidental expenses and interest on borrowings attributable to acquisition of qualifying fixed assets, upto the date the asset is ready for its intended use. "The initial estimate of the costs of dismantling and removing the item and restoring the site on which it is located is required to be included in the cost of the respective item of property plant and equipment" and "Cost of major inspections is recognised in the carrying amount of property, plant and equipment as a replacement, if recognition criteria are satisfied and any remaining carrying amount of the cost of previous inspection is derecognised."

Property, Plant and equipment retired from active use and held for sale are stated at the lower of their net book value and net realizable value and are disclosed separately.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

### 2.3.7 Investment Property

Investment properties are properties held to earn rentals and/or for capital appreciation (including property under construction for such purposes). Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are measured in accordance with the Ind AS16's requirement for cost model. An investment property is derecognised upon disposal or when the investment property is permanently withdrawn from use and no further economic benefits expected from disposal. Any gain or loss arising on derecognition of the property is included in profit or loss in the period in which the property is derecognised.

### 2.3.8 Depreciation and Amortisation

2.3.8.a Depreciable amount for assets is the cost of an asset, or other amount substituted for cost less its estimated residual value.

Depreciation on Property, Plant and equipment and Investment Property has been provided on the straight line method as per the useful life prescribed in Schedule II to the Companies Act, 2013

Building	60 Years
Plant and equipment	15 Years
Electrical equipment	10 Years
Office equipments	5 Years

## Notes Forming Part of Consolidated Financial Statements for the Year Ended March 31, 2021

(All amounts in Rs Lakhs, except share data and where otherwise stated)

Furniture & fixtures	8 Years
Computers	3 Years
Vehicles	8 Years

Cost of assets not ready for use at the balance sheet date are disclosed under capital work-in-progress.

### 2.3.8.b Intangible assets

Intangible assets acquired separately are measured on initial recognition cost and are amortized on Straight Line Method based on the estimated useful economic life.

The amortized period and amortization method are reviewed at each financial year end.

### 2.3.9 Impairment of Assets

"Intangible assets and property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the CGU to which the asset belongs. If such assets are considered to be impaired, the impairment to be recognized in the statement of profit and loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the statement of profit and loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years."

### 2.3.10 Foreign currency transactions and translation

#### Initial recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

#### Conversion

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction; and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

#### Exchange differences

Exchange differences arising on the settlement of monetary items or on the reporting of monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as gains or losses in the year in which they arise.

### 2.3.11 Cash and cash equivalents

Cash and cash equivalents in the cash flow statement comprise of cash at bank and on hand and include short term investments with an original maturity of three months or less.

### 2.3.12 Segment reporting

#### Identification of segments

The Group is primarily engaged in the businesses of real estate development and also in the business of undertaking the infra Projects which as per Ind AS 108 on 'Operating Segments' and both of them are considered to be the reportable business segments. One of the subsidiaries, Manjeera Retail Holdings Pvt. Ltd, apart from the Real estate it is also engaged in the Leasing business for which the segment reporting is also provided. The Group is operating in India and considered as single geographical segment for reporting purpose.

#### Unallocated items

Unallocated items include general corporate income and expenses which are not allocated to any business segment.

#### Segment Policies

The Group prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financials statements of the company as a whole.

### 2.3.13 Earnings Per Share

Basic earnings per equity share is computed by dividing the net profit for the year attributable to the Equity Shareholders by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the net profit for the year, adjusted for the effects of dilutive potential equity shares, attributable to the Equity

## Notes Forming Part of Consolidated Financial Statements for the Year Ended March 31, 2021

(All amounts in Rs Lakhs, except share data and where otherwise stated)

Shareholders by the weighted average number of the equity shares and dilutive potential equity shares outstanding during the year except where the results are anti-dilutive.

### 2.3.14 Provisions, Contingent Liabilities and Contingent Assets

The Group recognises provisions when there is present obligation as a result of past event and it is probable that there will be an outflow of resources and reliable estimate can be made of the amount of the obligation. A disclosure for Contingent liabilities is made in the notes on accounts when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Contingent assets are disclosed in the financial statements when flow of economic benefit is probable.

### 2.3.15 Financial instruments

Financial assets and financial liabilities are recognised when the Group becomes a party to the contractual provisions of the instrument.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

#### 2.3.15.a Financial assets

Financial asset is

1. Cash / Equity Instrument of another Entity,
2. Contractual right to –
  - a) receive Cash / another Financial Asset from another Entity, or
  - b) exchange Financial Assets or Financial Liabilities with another Entity under conditions that are potentially favourable to the Entity.

#### Subsequent measurement of the financial assets

##### (i) Financial assets carried at amortised cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

##### (ii) Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Further, in case where the company has made an irrevocable selection based on its business model, for its investments which are classified as equity instruments, the subsequent changes in fair value are recognized in other comprehensive income.

##### (iii) Financial assets at fair value through profit or loss

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss.

- (iv) The Group recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised is recognized as an impairment gain or loss in statement of profit or loss.

#### 2.3.15.b Financial liabilities

Financial liability is Contractual Obligation to

- a) deliver Cash or another Financial Asset to another Entity, or
- b) exchange Financial Assets or Financial Liabilities with another Entity under conditions that are potentially unfavourable to the Entity.

## Notes Forming Part of Consolidated Financial Statements for the Year Ended March 31, 2021

(All amounts in Rs Lakhs, except share data and where otherwise stated)

### **Subsequent measurement of the financial liabilities**

Financial liabilities are subsequently carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate the fair value due to the short maturity of these instruments.

### **Derecognition of financial instruments**

The Group derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's balance sheet when the obligation specified in the contract is discharged or cancelled or expires.

### **2.3.16 Cash Flow Statement**

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

### **2.3.17 Exceptional Items**

Exceptional Items represents the nature of transactions which are not in recurring nature during the ordinary course of business but lead to increase / decrease in profit / loss for the year.

10.2 The credit period towards trade receivables generally ranges between 30 to 180 days. No interest is recovered for payments received beyond due date.

10.3 In determining the allowance for trade receivables the company has used practical expedients based on financial condition of the customer, ageing of the customer receivables and overdues, availability of collaterals and historical experience of collections from customers. The concentration of risk with respect to trade receivables is reasonably low as most of the customers settle within the due dates, though there may be normal delays in collections.

The Company's past history in dues becoming bad or doubtful was very insignificant.

### 18.1

#### A. Defined Benefit Plan

The Group provides for gratuity for employees as per the Payment of Gratuity Act, 1972. Employees who are in continuous service for a period of 5 years are eligible for gratuity at the rate of 15 days basic salary for each year of service until the retirement age. As at March 31, 2021 and March 31, 2020 the plan assets were invested in insurer managed funds.

The following tables set out the funded status of gratuity & Leave Encashment plans and the amount recognized in Group's financial statements:

The Liability for Cost of Compensated absences is Rs. 16.34 Lakhs (March 31, 2020: Rs. 19.96 Lakhs) has been actuarially determined and provided for in the books of account.

#### B. Defined contribution plan

The Group provides benefits in the nature of defined contribution plans viz, employee state insurance scheme, provident fund and superannuation fund for qualifying employees. Under these Schemes, the Group is required to contribute a specified percentage of the payroll costs to fund the benefits. The Group recognised Rs. 30.87 Lakhs (March 31, 2020: Rs. 51.14 Lakhs) towards contribution for mentioned funds in the Statement of Profit and Loss. The contributions payable to these plans by the Group are at rates specified in the rules of the Schemes.

#### C. Sensitivity analysis

##### Description of Risk Exposures

Valuations are performed on certain basic set of pre-determined assumptions which may vary over time. Thus, the Group is exposed to various risks in providing the above benefit which are as follows:

**Interest Rate Risk:** The plan exposes the Group to the risk of fall in interest rates. A fall in interest rates will result in an increase in the ultimate cost of providing the above benefit and will thus result in an increase in the value of liability (as shown in financial statements).

**Liquidity Risk:** This is the risk that the Group is not able to meet the short term benefit payouts. This may arise due to non availability of enough cash/cash equivalent to meet the liabilities or holding of illiquid assets not being sold in time.

**Salary Escalation Risk:** The present value of the above benefit plan is calculated with the assumption of salary increase rate of plan participants in future. Deviation in the rate of increase in salary in future for plan participants from the rate of increase in salary used to determine the present value of obligation will have a bearing on the plan's liability.

## Notes Forming Part of Consolidated Financial Statements for the Year Ended March 31, 2021

(All amounts in Rs Lakhs, except share data and where otherwise stated)

**Demographic Risk:** The Group has used certain mortality and attrition assumptions in valuation of the liability. The Company is exposed to the risk of actual experience turning out to be worse compared to the assumption.

**Regulatory Risk:** Gratuity benefit is paid in accordance with the requirements of the Payment of Gratuity Act, 1972 (as amended from time to time). There is a risk of change in regulations requiring higher gratuity payouts (for example, increase in the maximum liability on gratuity of Rs. 10 Lakhs).

**Asset Liability Mismatching or Market Risk:** The duration of the liability is longer compared to duration of assets exposing the company to market risks for volatilities / fall in interest rate.

Significant actuarial assumptions for the determination of the defined benefit obligation are discount rate, expected salary increase and mortality. The sensitivity analysis below have been determined based on reasonably possible changes of the assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

### 34. Contingent liabilities

#### a. Claims against the Group not acknowledged as debts:

Claims against the Group not acknowledged as debts aggregating to Rs. Nil (March 31, 2020 Rs. Nil).

#### b. Other Contingent Liabilities

Guarantees issued by bankers on behalf of the company towards performance obligations Rs. 690.47 Lakhs (Previous year Rs. 790.47 Lakhs).

The Holding Company has given Corporate Guarantee of Rs. 32,500 Lakhs (March 31, 2020 Rs. 32,500 lakhs) issued on behalf of subsidiary company Manjeera Retail Holdings Private Limited.

### 35. With regard to Subsidiary - Manjeera Retail Holdings Private Limited

- As stipulated in the development agreement entered with the Andhra Pradesh Housing Board ("the APHB"), the scheduled completion date of all the projects undertaken by the Company was 30 July 2009. However, on account of delays in receipt of approvals from statutory authorities, the Company made an application for extension of project completion date. The APHB has agreed to extend the time of completion of the projects, subject to a condition that the Company enters into a supplementary development agreement, which includes conditions such as recalculating the fair value of the land, charging some additional levies due to delays in execution of the project etc. However, pursuant to an application made by the Company, the matter has been referred to a Committee formed by APHB for this matter. Pending final outcome of the proceedings with the Committee, no adjustments have been considered necessary in the financial statements.
- "The company has received legal notice from one of the tenants, M/s Aditya Associates. The Lessee vacated the demised premises to enable the company to include the same in the larger area to be letout to Lifestyle International Pvt. Ltd. and agreed to be shifted to alternate premises. Lessee was provided with temporary space (UG 10) where it stored its goods and reusable material. Thereafter Lessee was reluctant to agree for terms of the alternate premises. Lessee filed the suit seeking recovery of vacated premises (which no longer exists as same is demolished and became part of larger premises) along with cost of fit-outs/material, or alternatively, to pay damages for alleged loss of furniture and material. The company has filed a counter suit against M/s Aditya Associates for Recovery of amount comprising of Arrears of Rent etc as per Lease Deed for UG 17 & 18 till end of April. 2017 when they vacated along with Rent for the Unit 10 given as temporary space for 3 months during transition to new unit. As Aditya Associates did not agree for payment of rents after concessional period till March, 2018 Rent is claimed for the same at the prevailing price. After issuance of Legal Notice there was no response from Aditya Associates therefore suit is filed. The Company has offered a Corporate Guarantee for a sum of Rs. 4 Crores to Lifestyle International Pvt. Ltd. as a security to indemnify the actual direct losses if any to be suffered on account of adverse orders if any passed in the suit filed by M/s Aditya Associates."
- During the year ended March 31, 2021, management has capitalised interest cost aggregating to Rs.Nil (March 31, 2020: Rs. Nil) to the properties under development. Management, on the basis of assessment of the progress of the construction, is of the view that there is no active development of various projects hence no inventorisation of interest is adopted. Products under development as at March 31, 2021 includes interest inventorised amounting to Rs. 3055.98 Lakhs ( March 31, 2020 Rs. 3149.78 Lakhs)
- The Company has incurred losses in the current and previous year and has accumulated losses as at balance sheet date. Further as detailed in note 35(a) the Company is in the process of settlement of certain matters with APHB. Notwithstanding the above, the financial statements have been prepared on going concern basis as the management believes that (i) the Company's occupancy

(All amounts in Rs Lakhs, except share data and where otherwise stated)

would increase in coming years and new leases would be at better rentals as compared to existing leases and (ii) the unsold inventory would be negotiated at higher rates as compared to historical rates.

36. The Company has onerous contracts with certain owners of units sold in the MTM. Management believes provision of ₹99,58,754 (31 March 2020: ₹99,58,754) will be sufficient to meet unavoidable onerous lease payments in future. The provision has been recognised and is included in the rent expenditure for the year.

### Notes to financial instruments

The management assessed that the fair value of cash and cash equivalents, trade receivables, loans, trade payables and other financial liabilities approximate the carrying amount largely due to short-term maturity of these instruments. The management assessed that the fair value of borrowings approximate the carrying amount largely due to such borrowings carry floating interest rates or rates are negotiable.

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

## 40. Financial Risk Management

### Financial Risk Factors

The Group's activities expose it to market risk, liquidity risk and credit risk. The Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements.

Risk	Exposure arising from	Measurement
Credit risk	Cash and cash equivalent, trade receivables, financial assets measured at amortized cost	Ageing analysis
Liquidity risk	Borrowings and other financial liabilities	Rolling cash flow forecasts
Market risk – Interest rate	Long-term borrowings at variable rates	Sensitivity analysis

#### a. Credit risk

Credit risk is the risk that a counterparty fails to discharge its obligation to the Company. The Company's exposure to credit risk is influenced mainly by cash and cash equivalents, trade receivables and financial assets measured at amortized cost. The Company continuously monitors defaults of customers and other counterparties and incorporates this information into its credit risk controls. Credit risk related to cash and cash equivalents and bank deposits is managed by accepting highly rated banks and diversifying bank deposits.

#### Credit risk management

The finance function of the Company assesses and manages credit risk based on internal credit rating system. Internal credit rating is performed for each class of financial instruments with different characteristics.

Based on business environment in which the Company operates, a default on a financial asset is considered when the counterparty fails to make payments within the agreed time period as per contract. Loss rates reflecting defaults are based on actual credit loss experience and considering differences between current and historical economic conditions.

Assets are written off when there is no reasonable expectation of recovery, such as a debtor declaring bankruptcy or a litigation decided against the Company. The Company continues to engage with parties whose balances are written off and attempts to enforce repayment. Recoveries made are recognized in statement of profit and loss.

#### Expected credit loss for trade receivables under simplified approach

#### Real estate business

The Company's trade receivables does not have any expected credit loss as registration of properties sold is generally carried out once the Company receives the entire payment. During the periods presented, the Company made no write-offs of trade receivables and no recoveries from receivables previously written off. But a general provision for Expected credit loss @ 0.25% has been provided

### b. Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due. Due to the nature of the business, the Company maintains flexibility in funding by maintaining availability under committed facilities.

Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows. The Company takes into account the liquidity of the market in which the entity operates.

#### Maturities of financial liabilities

The tables below analyze the Company's financial liabilities into relevant maturity groupings based on their contractual maturities for all financial liabilities. The amounts disclosed in the table are the contractual undiscounted cash flows.

As at March 31, 2021	Less than 1 year	1 years to 5 years	5 years and above	Total
<b>Non-derivatives</b>				
Borrowings	5,712.97	31,848.75	-	37,561.72

<b>Total</b>	<b>11,283.70</b>	<b>33,353.32</b>	<b>-</b>	<b>44,637.03</b>

### c. Interest rate risk

The Company's fixed rate borrowings are carried at amortized cost. They are therefore not subject to interest rate risk as defined in Ind AS 107, 'Financial Instruments - Disclosures', since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

The Company's variable rate borrowing is subject to interest rate. Below is the overall exposure of the borrowing:

	March 31, 2021	March 31, 2020
Variable rate borrowing	5,857.61	5,494.49
Fixed rate borrowing	31,704.11	29,768.48
<b>Total borrowings</b>	<b>37,561.72</b>	<b>35,262.97</b>

#### Interest rate risk

Profit or loss is sensitive to higher/lower interest expense from borrowings as a result of changes in interest rates.

	March 31, 2021	March 31, 2020
Interest rates – increase by 50 basis points (50 bps)	(61.35)	(27.47)
Interest rates – decrease by 50 basis points (50 bps)	61.35	27.47

### 41. Capital Management

The Company's objectives when managing capital are to:

Safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and maintain an optimal capital structure to reduce the cost of capital.

In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares or sell assets to reduce debt.

The Company monitors its capital using gearing ratio, which is net debt divided by total equity. Net debt includes long term borrowings, short term borrowings, current maturities of long term borrowings less cash and cash equivalents and other bank balances.

	March 31, 2021	March 31, 2020

- 44.** World Health Organisation (WHO) declared Coronavirus Disease (COVID-19) a global pandemic on March 11, 2020. Consequent to this, Government of India declared lockdown on March 23, 2020 and the Group suspended the operations in compliance with the lockdown instructions given by Central and State Governments. COVID-19 has impacted the normal business operations of the Group by way of interruptions in project disruptions, supply chain disruptions, unavailability of personnel, during the lock down period. Since the Lockdown has been announced at the beginning of the FY, there is an impact on the revenue stream of the company for the FY 2020-21. The Group made a detailed assessment of its liquidity position for the next year and the recoverability and carrying value of its assets comprising property, plant and equipment, investment properties, investments, inventory, advances, receivables, other financial and non financial assets etc. Based on current indication of future economic conditions, the Group expects to recover the carrying amount of these assets. The situation is changing rapidly giving rise to inherent uncertainty around the extent and timing of the potential future impact of COVID-19 which may be different from that estimated as at the date of approval of these financial statements. The Central and State Governments have initiated steps to lift the lockdown and the Company will adhere to the same as it resumes its activities. Construction work at sites already restarted. The Group will continue to closely observe the evolving scenario and take into account any future developments arising out of the Covid 19 pandemic.
- 45.** Section 186 of the Companies Act 2013 is not applicable to the Holding Company being the Company is in business of providing infrastructural facilities i. e real estate development business covered under point 5(a) of the Schedule VI of the Companies Act, 2013.

# Go Green

## Electronic Communication Form (Green Initiative)

The Ministry of Corporate Affairs has come up with a Green Initiative of permitting the service of documents including Annual Reports to the Shareholders through e-mail or other permissible electronic modes instead of physical mode vide its Circular No. 17/2011 dated 21<sup>st</sup> April, 2011.

This is certainly a welcome move for the society at large as this will reduce paper consumption to a great extent and allow all stakeholders to contribute towards a Greener Environment. To support this green initiative, members who have not registered their email addresses so far, are requested to register their email addresses, in respect of electronic holdings with the Depository through their concerned Depository Participants. Members who hold shares in physical form are requested to fill the appropriate column in the members email registration form and register the same with M/s XL Softech Systems Limited.
